MAY, JUNE & JULY, 2010 REPORT NEPAL

Dear Brother Henry

My most precious partner and Co-laborer in the Gospel.

Warmest greetings to you in the most precious name of our Lord & Savior Jesus Christ. I want to thank you from the depth of my heart for your prayer support and encouragement which have strengthened me continuously to labor for the gospel.

Nepal has still failed to choose a prime minister and form a new government despite many attempts. But, we feel peace and continue to do the work of God for which He has called us.

I bring you the May, June, and July 2010 Report with photos. I hope you will read it with much enthusiasm, and together, let us glorify God for what He has done in our midst.

Balkumari Church Football Club 2010

First of all, I want to start sharing reports from the sports ministry.

In May there was an Inter Church Football Tournament, and my church team lifted the trophy becoming a first position. The most important thing during the sports ministry is when our Buddhist and Hindu coaches like our prayers and that touches my heart. They are not Christian but they asked us to pray for them. Coaches and players even asked us for Bibles and wanted to know more about God. This is ministry. This is evangelism. We can lead them to the Lord. A Sport is just an excuse to tell them about Jesus Christ.

Shyam and his mother in the Church

Shyam Nepali, is a very young player but very curious about Jesus and the Christian faith. One day he requested us to pray for him that he could score a goal, for he has not been able to score a goal. He plays for the first division team. We prayed for him and he scored a goal. Then he believed in prayer. He told his mother about prayer. His mother often falls sick. (Sometimes people are sick so that God's name might be glorified). His mother invited us to come to their house so that we can pray for her. She wanted to be healed. Please pray that we can continue to share the gospel with people this way. Eighty percent of Christian conversions in Nepal are a result of prayer and healing.

Another sporting event was world cup 2010 South Africa which we brought live on the big screen here in Nepal. The place where we brought this live program was in Madhumalla, one of the towns in east Nepal. During world cup football live on the big screen, we used testimonies of Christian players like Kaka, Lucio, Nicole, Oscar, Cyrille, Marcos and others. The crowds watched and listened very carefully. They heard their favorite sports star talk about God and shared their experience translated into their own language. So many people were blessed as they watched world cup games on the big screen just in front of their house door. We shared Christian gospel songs when there were no games. Every night more than four hundred people saw the live matches on the big screen and heard the gospel. I want to thank all who made this event possible. We are doing what we can do to tell our people about our Lord Jesus Christ.

We had a Disciple Class as well as Pastor and Evangelists meetings. They came from very far villages. In our talk, Pastors and Evangelists shared about their challenges in the ministry, their needs, and their future plans. Sometimes Pastors and leaders become discouraged when nobody speaks to them. They asked me to bring evangelistic programs to their church area, such as Bible schools, Jesus films, outreaches, and discipleship programs. It was good to be with the Pastors at one table. I am enclosing below some of their future evangelistic plans and I hope you will pray for them.

Prayer

I would like to ask your prayer for the 3rd Madhumalla Gospel Challenge Cup. We need to buy trophies, medals, certificates, and balls. This was a huge tournament for us last year where 17,000 people heard the gospel. Please help us print 20,000 gospel tracts for this tournament program.

I would like to make a special prayer request for a Basic School in Danabari, Llam in east Nepal. Please help in any way you can. I pray like this every day, 'Lord, I am your unworthy servant. I am just the dust of your feet, take me, and receive and use me. I can do but nothing.'
 Together, let us develop more leaders because this is the only way to reach Nepal with the gospel. Just as Jesus said, "the harvest truly is ripe but the laborers are few." Let us equip and send laborers to the harvest. Nepal is waiting to hear the gospel. Let us work together to save people. This is the only reason we are here on Earth; to go and tell others about Jesus.

We are praying for a power generator to be used when showing films in the village. Showing the Jesus film attracts more crowds and impacts them. So please pray that God will provide us with a power generator.

Reuben

I want to personally thank you for making your valuable contribution by investing your precious financial seed and unending kindness for the work of the Lord in Nepal. May Jesus the son of God who has called us to serve him and serve together bless you from the top of your head to the soles of your feet. May He reward you over and over for your faithfulness.

I look forward to serving God together with you even in greater measure in the days to come.

Reuben
