WELCOME TO BASIC INSTITUTE

We are here to serve you. Perhaps, you want to serve God but you're not sure how. Maybe, you want to be trained for ministry without spending a lot of time in the classroom. Or, maybe what you need is practical training so you can minister effectively in your neighborhood, at school or at work. Perhaps, you're a pastor who wants to be able to give others practical training they can really use. If the answer is yes, then BASIC Institute could be for you.

God has a solution to everyone's problems and a wonderful purpose for their lives. Our desire is to help each person learn how to overcome their problems, and become a success by growing to know God and fulfilling His purpose for their life. In order to do this, we offer training in Bible, ministry, and even basic living skills.

Our learning guides have been put together based on over 60 years of living to fulfill God's purpose in my own life. God miraculously healed me of stage four cancer in 1984. Since that time we have walked over 3,000 miles with the Cross in the U.S., Mexico, Africa, India and other places sharing Jesus, and helping people grow to know God and fulfill His purpose for them.

The **training** can be done at home **through correspondence, or online** at www.basicministires.com. Booklets are used to teach you basic Bible principles of personal life, family life, church life, telling people about God, helping others grow to know God, and ministry. These booklets will equip you to effectively share these truths with others. **Training classes** are held at various churches and in different places during the year. You are welcome to attend these workshops. Please check with us concerning specific dates. We will mail a schedule to all who request it.

Intern training is available on a limited basis to those who would like to join us for a week or more as we minister and/or travel. Please write to us for details.

Local Church Leaders, we can help your local church develop and carry out an effective mentoring program for your members. We have helped fellowships in the U.S. and other places, and would be glad to help your fellowship also.

As you look through our catalog you will see what is available. Remember it's our desire to help you and others live a successful life by growing to know God and finding and fulfilling His purpose. If we can help you through a single booklet or a complete package of training, let us know. If we can't help you, perhaps we can be of help to someone you know. We look forward to serving you in any way we can.

Your servant in Jesus,

Henry

VIII. ADMINISTRATION:

Financial Policy: PLEASE READ GALATIANS 6:6 & 2 CORINTHIANS 8:12.

BASIC INSTITUTE TRAINING is open to all who desire to learn, on a whatever you can afford love offering basis. Since Jesus said, "freely you have received, freely give," there are no fees for our training. Over the years God has blessed through the generous donations of those who are able to give, and the needs have been met.

Tens of thousands have heard the message of Jesus and many have come to know God. Thousands have received training. Whatever you can give to cover the cost of training material and other expenses would be considered a blessing.

2 Corinthians 8:12 says, "it is accepted according to what one has, and not according to what he does not have." If every person who is able to give, makes a donation then we will have enough to meet the needs. Please pray for this ministry, and be as generous as you can. Make all checks in U.S. dollars & payable to Brothers and Sisters in Christ. (According to U.S. Federal regulations love offerings for which you receive goods or services are not tax deductible)
