To: Henry Pulsifer <[henry@basicministries.com](mailto:henry@basicministries.com)>

Dear Brother Henry and Rita Pulsifer and all other Friends in Basic Ministries,

Welcome to another season of reading our ministry report. I want to thank you so much for your prayers and support to our ministry in Nepal. Thank you for your support to buy the Laptop. The months of March, April, and May have been great months for us. We visited many places around Nepal and did ministry to communities in a very special way. We will never ever forget the grace of God in us. It's all because of your prayers and help.

This update is going to be very long I know. Please remember I labor much to bring this to your screen. I have so many ministry reports to share and I don't know where to start. So, I will start from the Sports Ministry.

### **Church Boys and Sports Ministry**

Sports Ministry has introduced me to the Nepali communities. It has helped me to publicize the Gospel nationwide, using sports. Church Boys Club participated in national league events. They made a good impression to other players even though they did not qualify. Our motto is not to win the game, but to win the heart and to spread the Gospel of Jesus Christ all around Nepal, through sports. In the last single game in Madhumalla we distributed 17,000 gospel tracts to the audience. During our coaching session in Kathmandu we regularly told the players about Jesus Christ. Many of them have taken Bibles with them and people ask questions about it. We just don't play, we preach the Gospel.

### **Clothes received from FA**

We received football equipment from FA in England. We would like to thank Brother Mike for donating the balls, T-shirts, shorts, socks, markers and other equipment to Church Boys United. Your materials have helped us to train players in an effective way, as well as to share the Love of God to the sporting world. Thank you.

### **Preaching the Gospel in the village**

Jesus said, 'Go ye into all the world and preach the Gospel to every creature'. I live in the city, but I regularly make plans to visit villages. The towns have many types of medias from whom they can hear the gospel, but villages do not. In April my team and I went to the village to preach the Gospel. We gave away many tracts and many people heard the Word. Kamala and Lila accepted Jesus Christ as their personal Lord and Savior. Lila is only 16, but she is paralyzed below her waist and can't walk. Many people there were very interested in knowing more about Jesus. If we could have stayed a little longer, we would have led many to Jesus. Thank you for your prayers while we were in Ilam.

### **Bible Distribution in Ramechap**

50 copies of the Nepali Holy Bible, worth \$150, were given to the disciples in Ramechap. Thank you for helping these disciples get the Word of God in their hands. The number of disciples coming to the Lord Jesus Christ is growing every month in all the churches. Our work is growing and so is our need. If we can't help each other we would not go far.

### **Film Outreach in March, April, and May 2011**

1. In Sukrabare 150 people heard the Gospel through "The Jesus Film" and many tracts were distributed.
2. In Palase in Ilam 400 people heard the Gospel through the film and tracts that were distributed.
3. In Gangate in Ilam 200 people heard the Gospel through "The Jesus Film" and tracts that were distributed.

4. In Dung Dunge in Ilam, on February 27, 150 people watched "The Jesus Film".
5. In Birtamod in Jhapa on March 1, 200 people heard the Gospel through film and tracts were distributed.
6. In Garamani in Jhapa on March 3, 200 people heard the Gospel through film and were distributed.
7. In Bhatbhate in Ilam on March 16, 200 people watched "The Jesus Film" and tracts were distributed.
8. In Pathari, Morang on May 1 and 2, 500 people watched "The Jesus Film" and tracts were distributed.
9. In Kerkha, in Jhapa on March 18, 250 people heard the Gospel through film and tracts were distributed.
10. In Chepti, in Ilam on April 22, 250 people saw "The Jesus Film" and tracts were distributed.
11. In Ramechap on May 10 & 14, 800 people heard the Gospel through the film and tracts were distributed.
12. In Kulumjor, in Ramechap on May 11, 250 people heard the Gospel through the film and tracts were distributed. Kulumjor is a 6 hour walk from Ramechap bazaar.
13. In Gelu, in Ramechap on May 16 and 17, 500 people heard the Gospel. Ramechap Bazaar to Gelu was a 12 hour walk through the mountains carrying the equipment with some difficulty.

### **Film Outreach in Ramechap Bazaar, Kulumjor and Gelu**

We took a bus from Kathmandu around 9 AM, May 9th, and we reached Manthali at 5PM where we had a flat tire. The bus was carrying a load four times the capacity it should carry. The road was gravel, bumpy and narrow with deadly slopes and turns. The turns were so congested that the bus had to make several adjustments forward and

reverse to make it. I just don't understand why people in Nepal travel like that. Our journey was in God's hands. I don't enjoy traveling like that, but like other people, we had no choice. We saw only a few buses going that way. This trip I was not sick at my stomach as with other trips. We reached Ramechap at 8 PM.

The next morning we preached the Gospel and distributed tracts inviting everyone to come and watch the film. People asked us what type of film it was. We told them that this film is about a man who sacrificed himself for the world, to change it. If you missed this film you would probably

not have a chance to watch it again. Then they said, 'this film must be very special'. So we set up the equipment in a public place. The Town Board gave us permission. The local football club also helped us because they knew the Church Boys Football Club. The place was packed; nearly 600 adults came to watch the film. We did not count the children. Many said they had never heard the name of Jesus before.

Water Baptism at Gelu Ramechap

The next morning we headed up to Kulumjor. They said it was only 2 hours away. After walking 6 hours we still hadn't reached it. Our feet were blistered. We were hungry, exhausted and tired. One sister who accompanied us said to me, "*now I have begun to understand what it means to say 'doing ministry'*". I was so glad she learned that. Unfortunately, we went to the wrong village, but women and children came and helped us carry the equipment to a place up in the mountain to show the film. It was beginning to get dark. We powered up the generator and slowly people began to come. There was almost 250 people. As the film finished, thunderstorms with heavy rain started.

Praise God. All our equipment was safe.

A witch Doctor and other man accepts Jesus in Gelu

We went to the bus stop in Ramechap at 9AM but did not see any buses going out. STRIKE. What to do now? This was a hard decision. We decided to carry the load 12 hours or we would not reach Gelu where people are waiting for us. We carried the loads in heat in the Hiki Piki mountain with no food to eat. We reached our destination at 10PM. We were about to

go to sleep on our straw mats when two older men came to us and wanted to know more about Jesus. One of our pastors, Peter, shared with him about the Gospel until 1AM in the morning and also the witch doctor as well gave his life to Jesus.

### **Leadership Appointment**

The Lord is working mightily in Ramechap, Kulumjor and in Gelu and in all the parts of Nepal. Many souls are coming to the Lord in these

places. Please pray that we can appoint leaders over these areas that will take care of the flocks. We are looking for an opportunity to ordain leaders in these respective places. There are some Biblical guidelines and criteria that each of us should fulfill to become a Spiritual leader. One pioneer leader is a very good person in the Lord, but he has two wives. Can we ordain him then? This was before he was saved. Another leader is a very potential person in the Lord's service, but he still smokes secretly. Now smoking, drinking, and playing cards are serious offenses for Christians in Nepal. There is a woman and because of her unselfish work for the Lord many people came to know Jesus Christ as their personal Lord and Savior. She is from a lower cast of people and high cast do not want her to be a leader. You see, because of so many small problems we have limited the Holy Spirit from moving in power.

I want to share a short story of a conversation I had with a girl that I met while ministering the the village.

Me: Oh, what happen to your feet?

She: My mother beat me and broke my leg.

Me: Why? What did you do?

She: I did not tell my mother that I was going to church. After service when I reached home, she tied me up with a rope and beat me with a buffalo stick.

Me: You should have asked your mom?

She: I know she would not allow me to go. So I did not ask permission.

Me: That is so sad. What else did she do to you as a disciple of Jesus Christ?

She: She was ready to beat me a second time, but I ran away to the jungle and hid myself for three days without food.

Me: Were you not afraid of the animals at night while you were at the solitary places?

She: No. There was always some type of light at night around me.

Me: Oh, OK. What is your age now?

She: I am 17 now.

Me: Did you go to the neighbors house for safety?

She: No, they won't allow me to enter their house either.

Me: Why? Why can't they accept you in their house?

She: Because I am from an untouchable and low cast tribe.

Me: What does your mother say now?

She: She said- Your faith is stronger than my anger. I give up.

## **Baptism**

14 new people committed their lives to Jesus and were baptized in water in Gelu. I know that many people would come to know the Lord

Children looking to the cartoon tract

Jesus Christ as their personal Lord and Savior if we could spend some time ministering to them. They need Bible training and for this I need finance. I am praying that God will send me an assistant who would understand how to do the ministry. Many leaders look for support, but they do not labor for the Lord. They do not wish to travel in difficult places. They do not wish to sleep on a dirty floor. They do not wish to survive just on

water. Ministry is not a job, it's a calling. If we obey Jesus, we shouldn't go where we want to go, but where Christ wants to send us.

## **Congregational Gathering Place and Racism**

In Ramechap, a new larger place for worship services is needed. There are many reasons for this. Believers there do not have a regular income. In this situation they can't rent a room. Right now they gather in one of the houses where the wife is a believer and the husband is not. The wife welcomes low cast people to her ,but her

husband does not. He says that Christianity is the religion of low cast and untouchables. So, I have suggested that the leader there find a common place where everyone can come and fellowship with each other. It isn't a church if they respect the high cast and despise the low cast. Church should be a common place. The District of Ramechhap has the high rank of cast systems. We should pray that the racist spirit would go away from the disciples' house. Racism, low cast culture and untouchable systems have infected the Christian communities in Nepal. This is not good. Paul said in Romans there is no difference between Jew and Greek, because they all have the same Lord, who gives richly to all who call on Him. We have to teach disciples that we are all the same. Last time I taught them about the work of Satan and baptism. This time I taught them about hospitality. And after that everyone in the congregation wanted to give us room and food. This way they can reduce the expenses. In the Nepali Church we have so many things to teach. I plan to have a Bible School. We will teach them what God's will is. Church growth is everywhere but hard to handle. Please pray that God will raise more leaders to carry on the work of God.

## **Prayers for Upcoming Events**

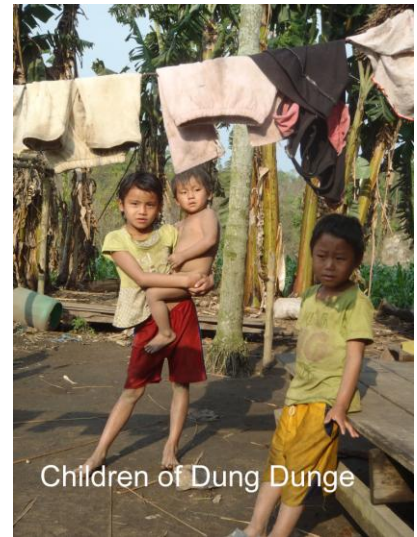

### **Orphanage in Urlabari,**

We are praying that God will provide us with funds to clear the \$5000 due to the landlord before 28 June 2011. Then we can construct the orphanage. Please click [here](#) to find out more about the progress. Please pray earnestly for this. This is something I want to do for the sake of the poor, widows and the orphans that they may call it 'home'. Let us share our love with them and shine like the sun. We are the only people that can reflect the compassion of God to them. Many times love is in the action and not in words only.

## **School in Dungdunge**

We would like to start the school for the poor and disadvantaged children who have to cross the big river and walk two hours to get to the school. If we build them a school they would not have to put their life at risk. Please click [here](#) and go to the Dungdunge School Document to know more about the school. If you know any organization or community that works for poor children in the education department, please share with them about us and our plan to start the school for them. Education is needed for every one.

## **Bible School in August**

Bible School is needed to train up new leaders to lead new generations who will minister the gospel, start the church and help church growth. Please pray that people would come from Ramechap, Kulumjor, Gelu, Inaruwa, Kathmandu, Dasami, Ilam, Makwanpur and from other areas to attend the training session in Kathmandu. I heard that many of them are planning to attend Basic School in the August/September session and do God's work in their community. If we train them they will change their community for sure. In my lifetime, I have seen many places in Nepal where there is no leader who will lead others and the work of the Church. So please keep this school in your prayers and that it would be successful.

## **New Church in Kathmandu**

Please pray with us about starting another church west of Kathmandu. Bikas Magar, my long time assistant moved to Matatirtha. There are 16 souls living up there. Some new disciples are waiting for water baptism and others want to help start and take care of the Church.

Finally, please write me back when you hear all these reports. I praise God for what He has done through me. He will do it through anyone with a surrendered heart. Nepal is waiting to hear the love of Jesus Christ. Let us not stay home. Let us go out. Let us preach the Gospel to every creature. Let us remember that the returning of our Lord Jesus Christ is very near. Let us be about our Father's business. Why is Jesus delayed in coming back? Because God wants to see many saved and not perished.

Your servant of our Lord Jesus Christ,  
Reuben
