

# NEPAL/INDIA REPORT #1

April 28, 2008

Greetings in Jesus' Name,

We arrived in Bombay Thursday evening. John Gladstone our friend for over 20 years met us. He leads a church planting ministry in the slums. Friday we visited a boy's home his ministry runs. Saturday we had the opportunity to share and encourage new believers. Around 35 were baptized. The last Saturday of each month is baptism day. The ministry usually baptizes between 30 & 70 each month. Sunday we shared in 2 services. Several raised their hand to receive Jesus. It was like preaching in a hot oven.

We are scheduled to arrive in Nepal on Wednesday. Please keep the school there in your prayers. There has been an outbreak of fever and diarrhea among the students.

We can really feel the prayers. Keep it up. Thanks so much for standing with us.

Servants of Jesus,

*Henry & Ann*
