

# NEPAL/INDIA REPORT #2

May 1, 2008

Greetings in Jesus' Name,

Our first day of teaching in Nepal. What a joy. Around 20 students from all over Nepal,(Mostly young men). They seem to be absorbing the word like a sponge. With God's help they will carry the Gospel to the villages and reach this country for Jesus.

Thanks to the prayers of the saints, the attack of fever at the school seems to have abated.  
Your prayers are also keeping us as healthy as we've ever been.  
Don't stop.

Will write at our next opportunity.

Servants of Jesus,

*Henry & Ann*
