

NEPAL/INDIA UPDATE #4

May 3, 2008

The day started with a pastor from the villages showing up to join us for the prayer walk.

He brought a live rooster as his offering for the work. We walked around Parliament, The Supreme Court, and the Palace.

It was a lesson in intercessory prayer walking for the class. It is our hope they will take it back to their villages, and break down the strongholds there.

Attached are some photos from the walk.

By the time you get this the reports should be available on the Internet.

Please continue to keep us in prayer. Ann appears to have fresh cold.
Thanks again for standing with us.
