

OUR VISION FOR NEPAL PLEASE PRAY

When we have traveled over the years, we have sought to go to places where the Gospel of Jesus has not been preached, or that have been closed to His message. This is why we went to Nepal in May 2008. When we arrived it was a closed country. Preaching the Gospel in this Hindu nation could land you a (6) six year prison sentence. The king was worshipped like pharaoh in Egypt. Right after we left, they kicked out the king and declared a republic. Since then the doors have opened wide for the Gospel. The group we're working with there has been able to incorporate as the first Christian charity in the history of the country.

Recent events in Eastern Europe have shown the need to take advantage of the opportunities we have while the doors are open. That is why we're asking you to pray that we will have what we need to take advantage of the opportunities in Nepal right now. The immediate needs are:

- BIBLES Cost \$3.50 per Bible.
- TRACTS Cost \$150 per 10,000 tracts.
- PRINTING OF BASIC BIBLE STUDIES IN NEPALI Cost \$6 per book
- BICYCLES FOR WORKERS Cost \$100 per bicycle
- SLEEPING BAGS & BACK PACKS for workers who travel in the mountains to the unreached villages. Cost \$50 per worker.
- Funds to hold LOCAL SCHOOLS OF EVANGELISM, DISCIPLESHIP & CHURCH PLANTING. Cost \$400 per school

The long term vision is:

- REACH THE VILLAGES by sending teams of trained workers.
- OUTREACH TO THE UNREACHED through friendship evangelism, street ministry, crusades, micro loans, feeding programs, and sporting events.
- MAKE DISCIPLES by following up new converts with trained workers.
- Hold LOCAL SCHOOLS OF EVANGELISM, DISCIPLESHIP & CHURCH PLANTING so there is a constant availability of trained workers
- ESTABLISH A TRAINING CENTER IN KATHMANDU, NEPAL so leaders can come from different parts of *Nepal and other countries in Asia* for basic and advanced training in evangelism, discipleship, and church planting. Believers from countries in Asia that are closed to the Gospel can come for training without arousing their government's suspicion. Most of the world's unreached people live in Asia. Estimated cost \$75,000.
- WE PLAN TO MAKE AN ANNUAL VISIT TO DO FOLLOW UP ON THE WORK, AND HOLD BASIC & ADVANCED TRAINING. Projected cost \$7,000
