Greetings in Jesus' Precious Name,

First of all I would like to say thank you to all who have prayed, and for all the notes and cards encouraging us while Ann is battling lung cancer, and a brain tumor. As we have shared, we are trusting God for a complete healing.

She has completed radiation treatments to her whole brain. This was to take care of the big tumor, and any small tumors that might be there. It seems to have stopped the headaches she was having. Right now she is very weak. As soon as her strength returns she will have a CyberKnife procedure that will (hopefully) completely remove the large tumor. If she is strong enough they will begin Chemo the middle of October. They will give her an IV of two drugs every three weeks. They plan to give her 4, possibly 6 treatments. This is to kill the tumors in her lungs, and other places. Continued prayer is much needed. God hears the prevailing prayers of the saints.

Our daughter Joy is home from Nicaragua to help with the care of her mother. She is still guiding the work of the orphanage via internet web cams, and Skype. Maximum cost 2cents a minute. Mostly free. (A far cry from our times in India when we paid \$3 a minute after waiting 3 hours to connect.) Please keep her in your prayers as she juggles both responsibilities.

I (Henry) am continuing to work with our contacts around the world. Just had a couple from Pakistan begin correspondence training with BASIC Institute. Right now I'm leading a study Monday nights at Church of the Good Shepherd on "How to Live as a Godly Man." There were 11 in attendance. Their ages ranged from early 20's to 70's. Please keep me in your prayers as I care for Ann, continue to work with contacts around the world, and share with men hungry to know more of God. Pray especially that what I share with the men will penetrate their hearts, and help them live more for Jesus.

Thanks again for standing with us during this crucial time.

Servants of Jesus,

Henry & Ann
