Dear Friends,

Here are highlights from the latest report from Nepal. Your prayers and support for this ministry help make the work there possible.

December January and February 2010 Report Nepal

Dear Brother Henry

I am so glad that I am able to come back to you with ministry updates once again. Your prayers are valuable to us. I remember you almost every day and give thanks to God for you. Yes, it is a privilege to know you. Together we are doing a great work for our God.

With Laptop, Camera, Cell phone, Towel, Toothbrush, Bible, Bag, behind the back and a person behind and riding the motorbike at 65mph going city to city, from town to town and to villages is really not only fun but also tiresome. But we enjoy doing this. If we take the bus we don't know how many days it will take to reach our destination, because of road blocks, strike, etc. The motorbike has helped me to travel anywhere in Nepal, even in the remote mountains where both sides of the road are filled with danger.

reach their surroundings with the gospel. We all understand that Nepal can become a Hindu nation again anytime.. If it becomes a Hindu nation, then preaching publicly certainly will not be easy. At that time we must be willing and ready to use any method to share the gospel. The gospel should not be stopped. If it stops, many will die without knowing Jesus.

Evangelistic Programs; In December we had many evangelistic programs around Nepal. Many local churches joined with us to

Village Evangelism

Evangelism; We did many house to house visits and night evangelistic programs with gospel songs and messages. People like to hear the songs rather than preaching. Some get angry. Some give threats, but most people are receptive. This is how the gospel is being preached in Nepal. Spiritual seeds are being sown every

day in the hearts of the people. Thank you for your prayers and support.

Revival Meetings in the Churches: In January we had revival meetings and leadership seminars in many churches. We delivered inspiring messages to the Churches. We ministered to the sick with prayer and the sick recovered. For some of the Churches, it was the first time to organize a large meeting. Many people came and their faith was uplifted. The gospel was proclaimed and many heard it. We ministered in three churches in Kathmandu. In east Nepal, in the villages we ministered in an Independent Church in Kerkha, Jewan Church in Urlabari, and Jyoti Church in Madhumalla. Many churches in Nepal have requested us to visit them and organize meetings in the future.

Land Purchase, Churches Network Nepal is a small organization that works with the Churches in Nepal to spread the gospel. The network has 11 member churches and 5 partner churches. We do not have an office or store room. One brother, Prem Magar by name, has agreed to provide land for just 900,000 Rupees (12500 US \$). (The land is worth 1,900,000 Rupees at the current rate.) We would like to build a multipurpose building on this land which will host, a Bible School, Leadership Seminars, a Bible Distribution Office, a Film Project Office, Churches Network Office, Translation Office, Prayer Hall, Sports Ministry Office and a Guest House for visitors. We have given 200000 Rupees as a pledge for the land owner and we still need to give 700000 Rupees. There are lots of things going on here in Nepal. We do not have funds so please pray for this.

7 Households: Our Pastor Sudip reports to us that 7 households have accepted Jesus as their personal Lord and Savior. I have received many requests to visit churches and organize seminars for leaders. Pray that I will be able to do this. Many are hungry for the Word of God. Many are waiting to be led to a higher level in ministry. All glory to God.

New Church: We are planning to start a new Church in Ramechap, east of the capital. The Lord is opening doors for us to go there and into new places where we have never been. Some places are very hostile. Genuine church planting always is in new places. Pratap Tamang who attends the Church has asked us to start a church in his place. Please pray for this. We are planning to send some pioneers there. Everything by prayer.

Pray for Basic Bible School: We are running *Basic Bible School in April for one month.* Please pray for us, that God will send the right people for the training and sufficient finances to complete it. God has called us to go into all the world and preach the gospel. It is only possible when we train others. Many people are waiting to hear the gospel in Nepal. Let us partner together to raise many workers for our God.

Finally, thank you for taking your precious time to read the reports. Please continue to pray for all the works that are happening in Nepal.

A little servant of a very Big God,

*Reuben*
