February, 2010

Dear Friends,

Just a few words to update you on what's happening with us. We are still putting the pieces together after Ann's home going, but the ministry continues. Our vision is still to reach the unreached people in different parts of the world; especially the 10/40 window. Anyone who watches the news knows that the frequency of disasters is increasing throughout the world. These situations often present opportunities for the gospel. We are currently **seeking God for a plan to team up with others to go and minister in these situations. Please keep this in prayer.**

Currently I am teaching a local Men's Bible study each week. In addition, we are continuing to work on translating our study material into the languages that are used by the unreached people. These translations will be freely made available on our website. **Please keep the translation work and its distribution in your prayers.**

One of the places where there are a large number of unreached people is **Nepal**. Nepal is the home of Mount Everest and is bordered by China's Tibet in the north and India in the south. Nepal is a land of beauty, but lives in deep spiritual darkness. Only 2% of the 27 million people have professed Jesus as their personal Lord and Savior, and the rest are **waiting to hear the gospel of Jesus Christ**. Hinduism is the dominant religion followed by Buddhism. Much preaching has been done in the last ten years so the conversion of new souls has grown.

We are planning to financially assist Rueben Rai and other brothers in Nepal who we have trained in our BASIC material in holding a **Basic School of Evangelism & Church Planting in April** this year. The plan is to have 25 students, and the school will last a whole month. **Please pray that God will supply 186,000 rupees or 2,620 US dollar for the school. (If you would like to make a donation to help with the school you can do so at www.basicministries.com)**

Also, please **pray for me as I seek to fulfill God's vision for me.**

A Servant of Jesus,

Henry Pulsifer

MT. EVEREST

Please pray for the school in Nepal
