

# THOUGHTS ON THE ETERNAL KINGDOM TRUE FREEDOM!!

Some people feel that freedom is being able to fulfill their personal desires; living to please themselves, doing what they want to do, and being able to have whatever they want. This is not freedom, but a deception from the devil that makes us a slave to the lust of the flesh. The fruit of this type of self-determination is a wasted life and the destruction of the person's soul in the fires of Hell forever.

"True Freedom" is being freed from our destructive lust so we can fulfill God's eternal purpose for our lives. This produces an eternal reward that cannot be taken away. This can only happen when we turn from the desire to please ourselves and give God control of our lives. We must decide to love Jesus with all our heart, soul and mind because of what He did on The Cross for us. Then we need to repent of our sins and make Him Lord of our life. God then gives us the indwelling presence of His Holy Spirit. His Spirit living in us enables us to have victory over the lust of the flesh. The power of His Spirit enables us to fulfill God's eternal purpose for us. This is "True Freedom". This type of freedom gives our life eternal meaning and allows us to be part of God's blessed heavenly Kingdom forever.
