

BASIC MESSAGE

The Next Great Move of God

While I was in India in 1986, God spoke to my heart. The time of the spiritual superstar is over. I will raise up an army of serving saints. Romans 8:19-22 tells us that all of creation is groaning and waiting for the manifestation of the son's of God. The world is waiting to see Jesus in His people.

God has been preparing a people for His next big move. It will usher in His coming for The Bride without spot or blemish. The Next Great Move of God will not be found in meetings attended by big crowds, but in obscurity. Throughout the earth those who have walked in daily intimate fellowship with God will begin to manifest Jesus in their lives. They will be like Peter when his shadow touched people and they were healed. They will be like Jesus when he preformed miracles and people did not know who He was, or were told not to tell anyone.

Even now it is beginning. The year 2010 will see a greater and greater manifestation of this move. The people who have gone through the fire and allowed God to burn the worthless works of the flesh from their lives will begin to shine like The Son. God is calling all who call on His name to come to Him and walk in intimate fellowship with Him so He can shine through them. When this happens, people will see Jesus, turn from their wicked ways, and be saved.
