

## April-May Ministry Report 2009

My Dear Precious Brother Henry and Sister Ann

I am so glad that I could bring you April-May Ministry report to your desk. I would like to thank you so much for keeping us in your prayer. Your prayers toward Bible School and students were greatly appreciated. We together can do great things for our God. Here is the report.

### Bible School

19 Students were graduated this year in May from the Basic School of Discipleship, Evangelism and Church Planting. Churches Network Nepal and Basic Ministries of USA worked together to make this School possible. We are thankful to brother Henry Pulsifer for bringing this School

to Nepal. Bible School students told me that they were so excited and were grateful that they were here in the School. Some students are planning to organize short term Basic School in their region and they have called us to be there, to teach the same teaching we taught them here. This is what we wanted to do. We want to produce more and more leaders for the gospel. We know that Jesus is coming back soon. It could be today, perhaps tomorrow. So let us work and gather the harvest while it is still a day, when night comes we can't work. My life I would like to commit for the gospel sake and to produce more workers. Nepal is crying, it is waiting to hear the message of the gospel. In three years we trained at least 60 workers, praise God that they are all in the field.

### Bible Distribution

After the graduation, I asked them, how many of you would like to involve yourself in the preaching of the gospel in your region and all of them raise their hands. We gave them Bibles, tracts and other evangelistic materials and 60,000 gospel tracts were taken, the Bibles worth Rs 21,000 also were given. Now pray that every piece of gospel paper would reach the house and hut of every unbelieving family in Nepal. I look forward to your partnership and support in the future too.

## **Sports Ministry**

Every day 25-35 young players comes to our soccer training program. Soccer training is a part of our sports ministry and we usually run this in summer, and our motto is to win them in Christ. We would like to attract teens and young people so that we can insert them the gospel in their heart because we understand that sports could be a good mediums to communicate the gospel. I also play soccer. I have made many friends. Almost a month back, I led 17 young players to Jesus. Is not it amazing? I need more Bibles, more booklets and disciple making programs. Which I am planning to start from Basic

Christian Life. We have many activities, but the purpose of every activity is to win someone to Jesus. I am planning to print 100,000 sports tract to give to people involved in sports. This is the second tract I have composed in Nepali. If you know any body or some ministry that are doing sports ministry in your area please contact them for us.

## **Plan and Prayers**

These are my immediate plans for which I need your prayers:

- \* Encourage those students that have graduated recently.
- \* Continuing of Soccer Camps & Outreach & needs related with it.
- \* Printing of 100,000 Sports Tract for which I need funds.
- \* Short Term Bible School on different locations and funds.

## **And**

Bible School expenses were more then we have expected. Now we are praying to God for our daily provision as well as ministry needs. But one thing we know of sure that when we do God's work according to His will He will provide for us.# Please keep us in your prayer. Summer has started and there are going to be heavy rains but we will not stop working for God.

A little servant of a very Big God,

*Reuben*
