Greetings in Jesus' Precious Name,

First of all, I would like to say thank you to all who prayed and sent notes and cards encouraging us while Ann was battling lung cancer and a brain tumor. As most of you know, she went to be with the Lord October 23<sup>rd</sup>. A tribute to her is below and can also be found on our website.

Our daughter Joy is back in Nicaragua. Please keep her in your prayers as she catches up on her responsibilities after being gone for 3 months.

The ministry continues. I am maintaining contact with our friends around the world. Also, I'm continuing to teach the Monday night men's study at Church of the Good Shepherd on "How to Live as a Godly Man." The vision for reaching Nepal and India is still the heart of what we want to do. Please keep me in your prayers as I adjust to carrying on the ministry without my partner of 44 years. Pray especially that I will have God's wisdom in all the things I'm dealing with.

Thanks again for standing with us during this crucial time.

A Servant of Jesus,

*Henry*

## ***ANN PULSIFER***

**Prayer warrior, missionary, inspiration to all who knew her  
and comrade sister in The Lord.**

### **A TRIBUTE TO ANN**

By  
Henry Pulsifer

**Ann is the most incredible women I have ever known. Jesus has always been The Sun in my life, but she brought His Sunshine to me in a new and fresh way everyday with her smile. That's because He was The Sun in her life long before she met me. She was an incredible cook, avid fisherman, and had the greenest thumb I've ever known. She could cook almost any type of food. American, Italian, Asian, Cajun, Mexican; she made them all. If you were fishing with her, she would almost always catch the most and biggest fish. She could make almost any leaf or stick grow, and her gardens usually produced the most abundant, best tasting, and biggest vegetables and fruit. She was truly a remarkable lady.**

**The most outstanding thing about her was her love for Jesus. Because of her love for Him, she loved people. Most people knew it the minute they met her. She was a wonderful mother to our three children Ruth, Paul, & Joy. There lives are a reflection of her influence. Not only that, but she was a mother figure and friend to many of the people we met as we traveled to different parts of the world. Those who had been abandoned, wounded, and hurt by this life, found a visible expression of the love of God when they met her. This is a ministry she has passed on to her daughter Joy in Nicaragua. A woman of prayer; she would stay up late at night to pray for the people she knew, and for those she heard about who were suffering or in need.**

**Not only was she my wife, she was also my right arm and partner in ministry. She was there to assist, advise, and encourage me in the call God has given me. In the good times and bad, she stood with me in my journey to know The Kingdom and to spread the love of Jesus to others. The video that's on our website is a labor of love by my son Paul with the help of the rest of the family. It shows a small part of her amazing life. If a picture is worth a thousand words, here's a few million.**

**If she was physically present right now, she would say, "I spent my life loving Jesus and serving Him. It was worth it all. I hope you love Him the way I do."**
